FORM TO CONTRIBUTE  
TO BOTH THE AFFILIATED  
POLITICAL FUND (UNISON  
LABOUR LINK) AND THE  
GENERAL POLITICAL FUND

Members who pay into either of the two sections of the UNISON Political Fund can opt to contribute to both funds through an additional payment.

The additional payment to join the Labour Link is 6.5% of your union subscription and for the GPF it is 3%.

UNISON's Affiliated Political Fund, UNISON Labour Link, campaigns for members through affiliation to the Labour Party both nationally and locally. Members can take part in Labour Link activities and help make policy in the Labour Party. We work with the 65 strong UNISON group of Labour MPs and liaise with Labour MEPs in the European Parliament, representatives in the Scottish Parliament and the Welsh Assembly so members' views are heard where it matters. Regular Labour Link magazines keep members informed.

UNISON's General Political Fund is used to pay for campaigning at branch, regional and national levels of the union as well as for research and lobbying in Parliament. It is independent of support for any political party. It liaises with the UNISON groups of MPs and MEPs to pursue members' interests. In the run-up to general or local elections, the FUND has been used for effective advertising campaigns to ensure that issues of importance to UNISON are high on the agenda.

If you wish to contribute to both funds, please complete both forms and return to your UNISON Regional Office.

I wish to contribute to both the UNISON General Political Fund and the UNISON Labour Link Fund
