The Wessex SR Series

are Events for experienced cyclists who will be aware of the following procedures:

- ⇒ Whenever possible, familiarisation with the route before the event. Ensuring competence and fitness to complete the course, roadworthiness of the machine and possession of adequate cycle-repair equipment, spares and skills.
- ⇒ During the event, riding safely, according to the rules of the road and within personal capabilities and taking responsibility for personal feeding, warm clothing and rest periods, especially at night.
- ⇒ Personally deciding not to continue if unwell or too tired.
- ⇒ As with any journey on public roads being aware of and allowing for highway design and maintenance, other users (especially horses), busy traffic conditions, the state of disrepair of the surface (potholes, trenches, ironwork etc.), debris and obstruction of all kinds and poor or non-existent lighting on night sections.
- ⇒ Ensuring lighting to navigate with when riding at night; make preparations to combat the effects of oncoming headlights.
- ⇒ With many roads on the events being high and exposed, with hills that are steep and strenuous to cycle, carrying adequate food, drink, clothing and equipment for any conditions.
- ⇒ In the event of bad weather, making a personal decision over starting or continuing; also to being equipped to deal with bad conditions.
- ⇒ Making private arrangements if back-up or rescue facilities are wanted, although if this is the case undertaking these rides at all should be reconsidered.
- ⇒ Being adequately rested before travelling home after finishing.

As with all Audax UK rides you are on a private excursion on the public highway, so ensure that you are fully capable and self-sufficient.

Please read the following carefully:

I the undersigned, have read and understood and accept the above and agree fully to abide by Audax UK Regulations for this ride. I am insured as indicated.
